

Grade 2 News

Special points of interest:

- Welcome Back
- Charities
- Topic of Inquiry
- Roman Show

Dear Parents,

We are nearing the end of another great term in Grade Two. As we look forward to the Easter holiday, we are wrapping up our plant unit and hoping that everyone has a sunny and relaxing break.

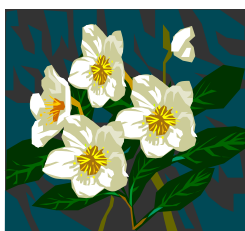

Welcome Back Mrs. Solomon

We are so happy to have Mrs. Solomon back amongst us. We certainly missed her for the months she was away and we're glad she is feeling well enough to join us again.

Good-bye Mrs. McMahon

At the same time we are sad to have to say good-bye to Mrs. McMahon at the end of this week. It has been wonderful having her with us in grade 2 and we hope to see her after the break as a daily substitute.

Supporting Charities

There have been many efforts to raise funds for many charities in the past few months at ISL, and our grade 2 parents have been very generous in helping us. We'd like to thank you all for helping your children to become global citizens in this way.

Topic of Inquiry

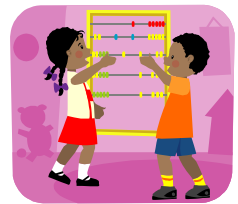

The students have been working hard on activities about plants in the past few weeks. These activities included viewing flowers under microscopes, completing experiments to find out the needs of plants and researching all the different parts of plants. We hope they have enjoyed these varied and exciting activities.

We will conclude our unit on plants and at the end of April we will begin a new unit titled Ancient Rome. If you have any resources on this topic that you think could be used by your child's class, please let us know.

Roman Fashion Show

Every year for our Ancient Rome unit we conclude with a Roman Show. This year we are changing the format somewhat, while keeping elements that have always been popular and are important for student learning.

The children will dress up as a character from Roman days and participate in a dramatic and musical performance in the auditorium. More information is forthcoming about what kind of character each child will be so please don't be too hasty in acquiring costumes just yet. The show will incorporate our end of year music concert so all families, parents and grandparents are invited to attend. This year the show will be in the afternoon of Wednesday 15th June. More details about this event will be sent home closer to the date.

We thank you all for your continued support.

With best wishes,
Grade Two Teachers
